Dr. George Friedman - Founder and Chairman

Dr. George Friedman is Founder and Chairman of Geopolitical Futures, a company dedicated to forecasting the course of the international system. He is an internationally recognized strategist on global affairs who has been called “the creator of the field of geopolitical forecasting.”

Friedman is the author of numerous *New York Times* bestselling books. The most prescient among them is *The Next 100 Years: A Forecast for the 21st Century* (2009), that predicts the geopolitical changes shaping the 21st century and was published in over 20 languages. Friedman’s other best sellers include *Flashpoints: The Emerging Crisis in Europe*, *The Next Decade*, *America’s Secret War*, *The Future of War* and *The Intelligence Edge*.

A very popular keynote speaker on international geopolitics, Friedman’s experience in military modeling, philosophy, intelligence and international affairs places him in high demand at numerous conferences and industry-specific events. He has briefed for numerous major military and government organizations and is frequently invited to speak internationally.

Prior to founding Geopolitical Futures, Friedman was Chairman of Stratfor, the geopolitical intelligence publishing and consulting firm he founded in 1996. He left Stratfor in 2015.

Friedman received his bachelor’s degree from the City College of the City University of New York and holds a Ph.D. in government from Cornell University. He lives in Austin, Texas.

Dr. Friedman is available for interviews on all areas of global geopolitics.

Allison Fedirka - Director of Analysis

Allison Fedirka is Director of Analyst Operations for Geopolitical Futures. In addition to writing analyses, she helps train new analysts, oversees the intellectual quality of analyst work and guides the forecasting process.

Prior to joining Geopolitical Futures, Ms. Fedirka worked for Stratfor as a Latin America specialist and subsequently as the Latin America regional director. She lived in South America – primarily Argentina and Brazil – for more than seven years and, in addition to English, fluently speaks Spanish and Portuguese.

Ms. Fedirka has a bachelor's degree in Spanish and international studies from Washington University in St. Louis and a master's degree in international relations and affairs from the University of Belgrano, Argentina. Her thesis was on Brazil and Angola and south-south cooperation. She lives in the Washington, DC area.

Areas of expertise:

US engagement in Latin America in response to Russia, Chinese presence

Crisis in Venezuela

Brazil's political and economic crises

Mexico's foreign policy and US relations

Economic and political fall-out in Latin America post-covid

Western hemisphere trade agreements and conflicts (USMCA, Mercosur, etc)

Dr. Antonia Colibasanu - Senior Geopolitical Analyst

Antonia Colibasanu is Geopolitical Futures' Chief Operating Officer. Dr. Colibasanu joined Geopolitical Futures as a senior analyst in 2016 and frequently speaks on international economics and security topics in Europe. Since 2012 she has served on the educational board of the International Academy of Advanced Studies in Greece, a summer program that brings together students from Eurasia and the Middle East.

Prior to Geopolitical Futures, Dr. Colibasanu spent more than 10 years with Stratfor in various positions, including as partner for Europe and vice president for international marketing. Dr. Colibasanu is also an associate professor at the Romanian National Intelligence Academy and Bucharest University. Prior to joining Stratfor in 2006, Dr. Colibasanu held a variety of roles with the World Trade Center Association in Bucharest.

Dr. Colibasanu holds a Doctorate in International Business and Economics from Bucharest's Academy of Economic Studies, where her thesis focused on country risk analysis and investment decision-making processes within transnational companies. She also holds a Master's degree in International Project Management. She is an alumna of the International Institute on Politics and Economics at Georgetown University.

Areas of expertise:

Power struggles in the Balkans

The future of the European Union after Brexit
